

REMINDER:

To all Subic Bay Freeport (SBF) Stakeholders, please do not forget to sign up with the free vaccine program of the Department of Health (DOH).

SBMA needs to compile a list of individuals in our SBF Community who are interested to avail of the same for the consideration and allocation of vaccines by the DOH.

Please note that said program are subject to the following conditions:

1. Identified priority groupings to be followed;
2. Date of inoculation and brand of vaccine is not guaranteed and is subject to availability and approval of the DOH;
3. Deadline to fill out this survey is on Friday, April 30, 2021.
4. We will close this link on Saturday, May 1, 2021 and submit the same to the DOH for approval and vaccine allocation.
5. All names in a priority group will be on a cue and will be served on a "First Come, First Served" basis depending on the availability of the DOH provided vaccines.

We will immediately contact you on the email address you will provide once we receive final confirmation from the DOH.

Please do not forget to continue practicing all the health and safety protocols to prevent the spread of COVID-19.

Let us all keep safe.

All the best,
Amy Eisma

DOH-SBMA COVID-19 Vaccination Online Registry [DOCS.GOOGLE.COM](https://docs.google.com)

This form will serve as an online registry for those who plan or want to be part of the Government's Vaccination Program under the DOH vaccination rollout plan. The cost and type of vaccines for the priority groups will be shouldered and selected by the Philippine Government.
